

Ashelor Succession Settlement (A.S.S)

- ❖ The Republic of Icenia shall cede the following territories to the state of Ashelor and will return the Bloom City and government groups:

- ❖ “Bloom Vault” shall be jointly owned by both Ashelor and the Republic of Icenia
 - Both parties are permitted to have one group owner
 - Slushhi will retain primary ownership
 - Only Ashelor can add non-Icenians to the vault
 - Both parties will be permitted to store pearls within the vault
 - ObtainableSpat will remain banned from the vault (unless it’s under siege and we really need clickers)
 - NATO “refugees” are banned from the vault
- ❖ Icenia will unclaim the following territories with the stipulation that:
 - No well established nation may claim them without prior authorization by the Republic of Icenia (What is defined as “established nation” is classified solely by the Republic of Icenia)
 - These claims are designated as “homesteading territory” and should be used by newfriend nations

- ❖ Ashelor and The Republic of Icenia agree to a Declaration of Friendship and vow:
 - Mutual cooperation
 - Free trade
 - Extradition of convicted criminals
 - Joint defense of the Bloom Vault
