

Treaty of Mutual Recognition

Free Territory of Kropotnia and the Kingdom of Ashelor

The Lord Protector, the King of Ashelor and the People of the Free Territory of Kropotnia have agreed in good faith to establish a mutually beneficial relationship, which shall include:

- Acknowledging the potential for mutual prosperity and good fun for the people
- Recognising the benefits of working together in good faith
- Seeking to deepen ties and increase cross-border cooperation

Article 1

Lands defined

The territory of the Kingdom of Ashelor shall be defined as a section of the roofed forest biome currently owned by the Free Territory of Kropotnia. The border between the Kingdom of Ashelor and the Free Territory of Kropotnia shall be defined as the Free Territory of Kropotnia ending at z level 5888, and the Kingdom of Ashelor beginning at z level 5887.

(Representation of what the borders will look like, with the Free Territory of Kropotnia represented as red, and the Kingdom of Ashelor represented as Orange)

Article 2

Cession of Lands

The People of the Free Territory of Kropotnia agree to cede the land as described in Article 1 to the Kingdom of Ashelor, and to relinquish all claims of sovereignty and jurisdiction over the land. It shall forever become sovereign territory of the Lord Protector, the King of Ashelor.

Article 3

Freedom of Movement

Citizens from the Kingdom of Ashelor may freely pass to and from the Free Territory of Kropotnia at will. And the People from the Free Territory of Kropotnia may pass freely to and from the Kingdom of Ashelor. Such freedom shall be guaranteed.

Article 4

Freedom of Harvest

The People from the Free Territory of Kropotnia may freely harvest the farms within the Kingdom of Ashelor. Such freedom is given provided that harvested farms be replanted by those exercising this right.

Article 5

Prohibition of Espionage

Neither shall knowingly take action (or deliberate inaction) at the expense of the other, such as one deliberately failing to report knowledge of an impending raid on the other.

Article 6

Bounteous Deforestation

As a show of good will, the Kingdom of Ashelor will share forty percent of the wood gathered via the deforestation of their land.

Article 7

Betterment of Security

The Kingdom of Ashelor and the Free Territory of Kropotnia agree to share knowledge, designs, and best practices for defence and Intelligence for the purpose of mutual security.

Article 8

Decreased growth

The Kingdom of Ashelor agrees to minimise population growth as to not pose a threat to the Free Territory of Kropotnia.
